

# Youth Leadership

## Criteria

An individual aged between 10 - 25 who is engaged in an activity or service in Monash, for the benefit of the Monash community.

This could be achieved through advocating for change, raising awareness about a particular issue, volunteering their time to engage or support members of the community, raising money for a particular cause and/or being a mentor or positive role model in Monash.

Nominations for young people of all abilities and backgrounds are encouraged. Please note that young people can be nominated for a single activity.

The following information will be taken into consideration by the judging panel:

- » The length and frequency of time spent engaged in the activity or service
- » How the delivery of the activity or service has involved other members of the community
- » The number of people who have benefited from the activity or service.
