	New Tree To be planted
	Tree to be removed and replaced
	Tree to be removed but not replaced

## Street Tree Renewal Information – Elizabeth Street, Burwood

Proposed Species Options.

### Option 1 – Single species (both sides of the road)

#### *Prunus cerasifera* 'Nigra' (Flowering Plum)

Power line side and non-power line side

This is a beautiful ornamental, flowering plum with very dark purple summer foliage. Single pink flowers make a spectacular display in spring and the purple foliage a striking contrast tree for smaller gardens.

**Mature Size (h x w):** 5 x 4m

**Form:** Round

### Option 2 – Single species (both sides of the road)

#### *Tristaniopsis laurina* 'Luscious' (Luscious Kanooka)

Power line side and non-power line side

This native tree has a dense foliage canopy with glossy green leaves that are oblong shaped. Yellow flowers are borne in summer and are abundant with nectar, attracting birds. Smooth creamy trunk streaked with grey.

**Mature Size (h x w):** 8 x 4m

**Form:** Oval

### Option 3 – Single species (both sides of the road)

#### *Lagerstroemia indica* x *L. fauriei* 'Sioux' (Sioux Upright Crepe Myrtle)

Power line side

This variety offers masses of intense, pink flowers over summer, followed by stunning, rich foliage colour in tones of yellow, red and orange through autumn, before shedding its leaves. When mature, the bark of this variety will peel, creating a mottled effect to reveal the beautiful caramel-pink colour of its under bark.

**Mature Size (h x w):** 5 x 4m

**Form:** Round
