

Waste Collection

July 2023 – June 2024

Use the map to work out whether you are in **AREA A** or **AREA B** and what day your bins will be collected.

! This waste calendar applies to residential properties with individual bins.

Bin collection tips

Make sure your bins can be collected every time by following these tips.

Only use bins assigned to your property. Let us know if neighbours use your bins without permission.

Keep bin lids closed. Pick up any litter that falls on the ground around your bins.

Leave 50cm between bins and 1m between the bin and any trees, poles or parked cars.

Return bins to your property within 24 hours of them being emptied.

Heavy bins cannot be lifted by the truck. If you are struggling to move the bin, it may be too heavy.

Issues with your bins?

If you need more bin space, your bin is damaged or we missed collecting your bin:
